# Calculations Office

Reduction of costs for all-day school care

The assessment basis for cost reduction of fees for all school children in Vienna is calculated by the Calculations Office – Reduction of Costs for all-day schools.

**Please submit the following documents by email, post or fax:**

- Completed forms from the school
- Documentation of current income
- Contact details in case of questions
- Copy/photo of an official photo ID of the person submitting the application (driving licence, passport, photo ID)

If you still require a personal appointment, please contact us at +43 1 277 55 55.
